Tre Bicchieri live in Stockholm

A unique tasting to get in touch with the best Italian wines

Gambero Rosso is ready to land in **Stockholm** with a tasting of premium Italian wines awarded in **Vini d'Italia 2020**.

The **Tre Bicchieri World Tour** will reach Sweden on **Monday, February 3**.

The event will take place once again in the elegant rooms of the **Grand Hotel Stockholm**, with an extensive walk around tasting from noon to 8pm. The selection of wines will feature a very huge portfolio of native Italian grapes produced by some of the most consistent and emerging wineries.

At 5:30pm is also scheduled the **awarding ceremony of the best Italian restaurants in Stockholm** according to the Top Italian Restaurants digital guide which rate fine dining restaurants, trattorias, pizzerias, and wine bars.

We remember that the Tre Bicchieri World Tour is only for those wineries that have attained the maximum recognition in the 2020 Guide, a guarantee of absolute quality.

In addition, the program includes a guided masterclass. At noon the wine editors of Gambero Rosso will introduce the **11 special awarded wines in Vini d'Italia 2020**, ranging from the Sparkling of the Year to the Sweet Wine of the Year.

After Stockholm, the Tre Bicchieri World Tour will move to the US. Between February and March, as usual, is scheduled the American Tre Bicchieri Week, with four events: Chicago, New York, San Francisco and Los Angeles. During 2020, the tour will stop in Munich, Stockholm, Paris, London, Dusseldorf, Salzburg, Verona, Montreal and Beijing.

About Vini d'Italia 2020

Gambero Rosso has reached the 33rd edition of the Vini d'Italia guide, today translated into English, German, Chinese and Japanese. Vini d'Italia guide is the result of a year of work by an expert team of tasters who have travelled the country (including Switzerland's Canton Ticino) interviewing producers and visiting wineries. The guide reviews 2,542 wineries and a total of 22,586 wines, awarding the classic scores ranging from 1 to 3 Glasses according to the quality of the label. This year, the record number of 457 Tre Bicchieri have emerged: Tuscany leads the way with 89 awards.

Vini d'Italia is not just a collection of scores and ratings, it's a fundamental and essential volume for all those who work in the sector or are interested in quality Italian wines.

About Top Italian Restaurants

The quality of the “cucina italiana” abroad has reached a new level. Gambero Rosso has released the third edition of the digital guide to Italian restaurants around the world. For rating places Gambero Rosso calls its well-known system: from one to three, forks for fine dining restaurants, shrimps for bistrot and trattorias, pizza slices for pizzerias and bottles for wine bars and enoteca.

Authentic character, product traceability, purity of flavors (cucina italiana can't exist without a proper extra-virgin olive oil), service and the quality of the wine list were important criteria. From the 100,000 estimated eating places that serve up our traditions in wine and food, Gambero Rosso selected 600 for now – as the guide will expand month by month.
